About Me

As a dedicated learner with a passion for UI design, I am currently pursuing a degree in Computer Application from Kristu Jyoti College of Management and Technology while also taking online courses to further enhance my skills and knowledge. My goal is to gain valuable experiences in the fields of UI design and cybersecurity, with the ambition of securing a responsible position in an organization where I can apply my capabilities and expertise to contribute to the success of the team.

Through my dedication to continual learning and passion for UI design, I am confident in my ability to excel in a professional setting and make a valuable contribution to any organization.
